HW:

Do you have a copy of an LA Times story, 16aug71, by Dave Smith: "Sirhan Case -- Was There A Second Gunman ?" We can make you a copy if you don't already have it.

Special thanks, by the way, for two long clips you sent from the Washington Post on China, one by Stanley Karnow, another by Murray Marder, the latter of critical importance in some ways.

Still on the other side of the moon, More later.

Best from us both,
